

Glimpses of:
Flora Walk with Bronwen & Greg Keighery
Sep 20th 2014 | 9:30-11:30 am

More than 300 species of plants found here: Greg

Threatened ecological communities make this place even more special: Bronwen

Greg explaining woodland flora

Bronwen describing wetland flora

Greg and Bronwen in action!

Musicians getting ready!

Mingling Mayor!

Wait Wait I need to take a picture, well too late!

Thank you for thanking me!

New band member?

Catching up!

Colourful and Yummy!

Just observing!

WILD FLORA AND FAUNA!

Watch out, Bearded Dragon in the house!

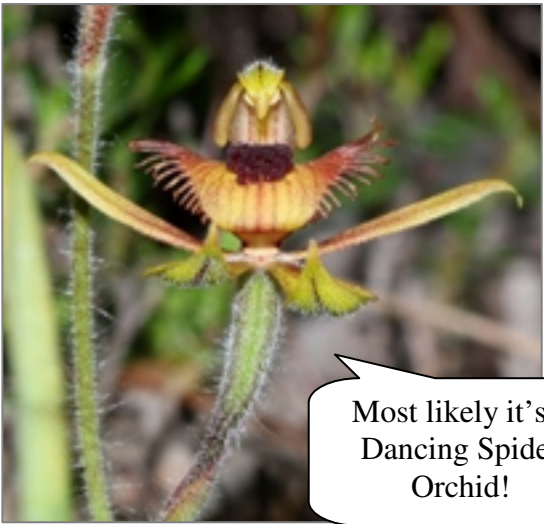

Spear-winged fly on a Trigger Plant Flower

Cowslip Orchid

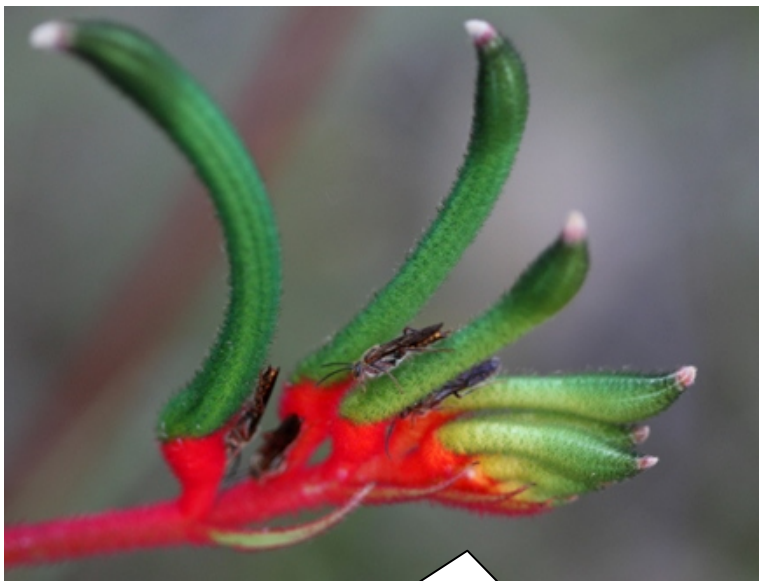

Rusty Spider Orchid

Most likely it's a Dancing Spider Orchid!

Blue lady Orchid

Kangaroo Paw with 4 beetles
