

Wednesday Walk & Talk March 18th 2015

Our 1st midweek Walk & Talk on the 18th March led by Marc Lane was very successful.

Beautiful weather, it rained! All 18 people who attended so enjoyed getting wet. Yum!
We were so grateful for the rain.

Lots of interesting things were pointed out by Marc and the vegetation just sparkled as did the cobwebs!

Had a very friendly morning tea, much to talk about and some questions for Marc.

Looking forward to next Walk & Talk 15th April - Leader will be Karl Kuru.

Meeting Point: Alton Street, Kenwick. RSVP & Info 9459 296
