

October 15th 2016

Most of the morning was spent on removing weeds and some wildlife photography. It was a short day with frequent rain interruptions and a few volunteers. In attendance were: Ed, Bob, Kade, Karen, Katrina, Subas, Sue, Regina, and Trevor (with Addy & Koda).

Glimpses of the Day!

Bearded Dragon (First spotted by Bob and Sue!)

White Fringe Lily along with purple ones (First spotted by Kade and Katrina!)

Blue Lady Orchid with a mozzie caught in the rain!

Pacific Duck with a duckling!

Mignonette orchid with a basking grasshopper and a mozzie!

An elegant looking moth (unidentified species)!

Blue Devil with a spider!
