Reflecting on our history!
The 1st ever meeting of the Friends of Brixton St. Wetlands Inc was held on the 18th of August 1994.

A Big Thank You to Steve from all of the Friends of Brixton St Wetlands ☺

Above: Steve appreciating the significance of the wetlands and the friends group.
Below: Steve lending a hand to pack up the morning activities.

Weeding plan of the day!

The evidence!

Weeding warriors!

Two Nutty Professors 😊
These Marri nuts are different!

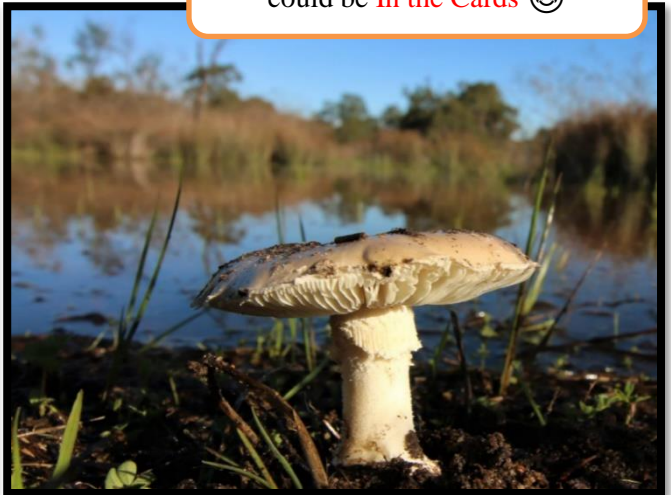

Say Chucky Cheese 😊
Photographing the WA
Naturalists Club Members!

These 8-different species of fungi could be **In the Cards** ☺

An Australian Wood Duck
on a dead wood 😊

Kade spotted this Moth, it needs to be identified!

A grasshopper basking in the early morning Sun – yellow brain fungi can be seen on the dead twig!
