

February 16th, 2019 | 9:00 – 11:00

Attendance

Bob, Barbara, Donald, Ed, Helena, Kade, Karen, Noel, Regina, Ronnie, Subas, Sue, and Trevor

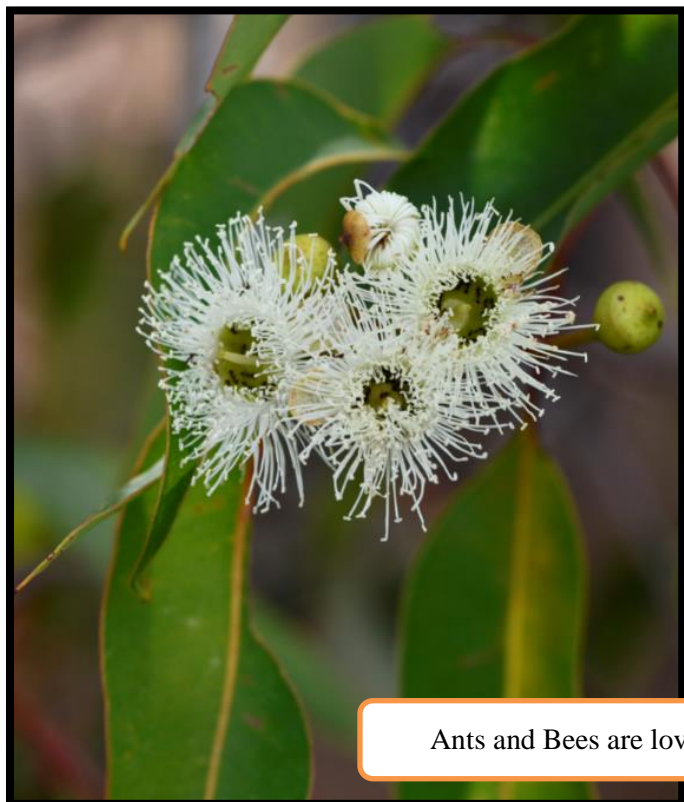

Morning Activities: Primarily rubbish pick-up and wildlife photography

Typical summer vista of the main wetland

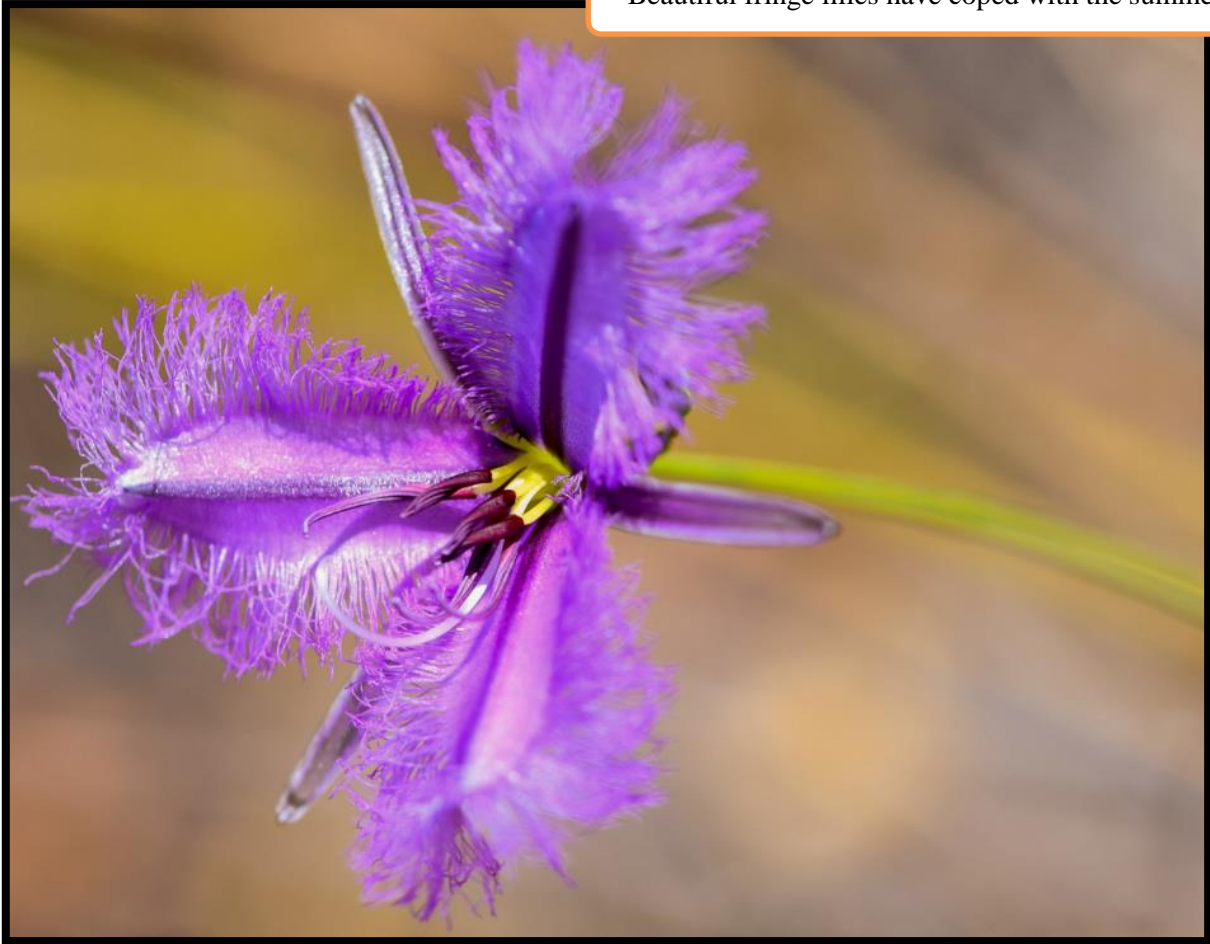

Marri Trees are blooming – but showing the sign of water stress!

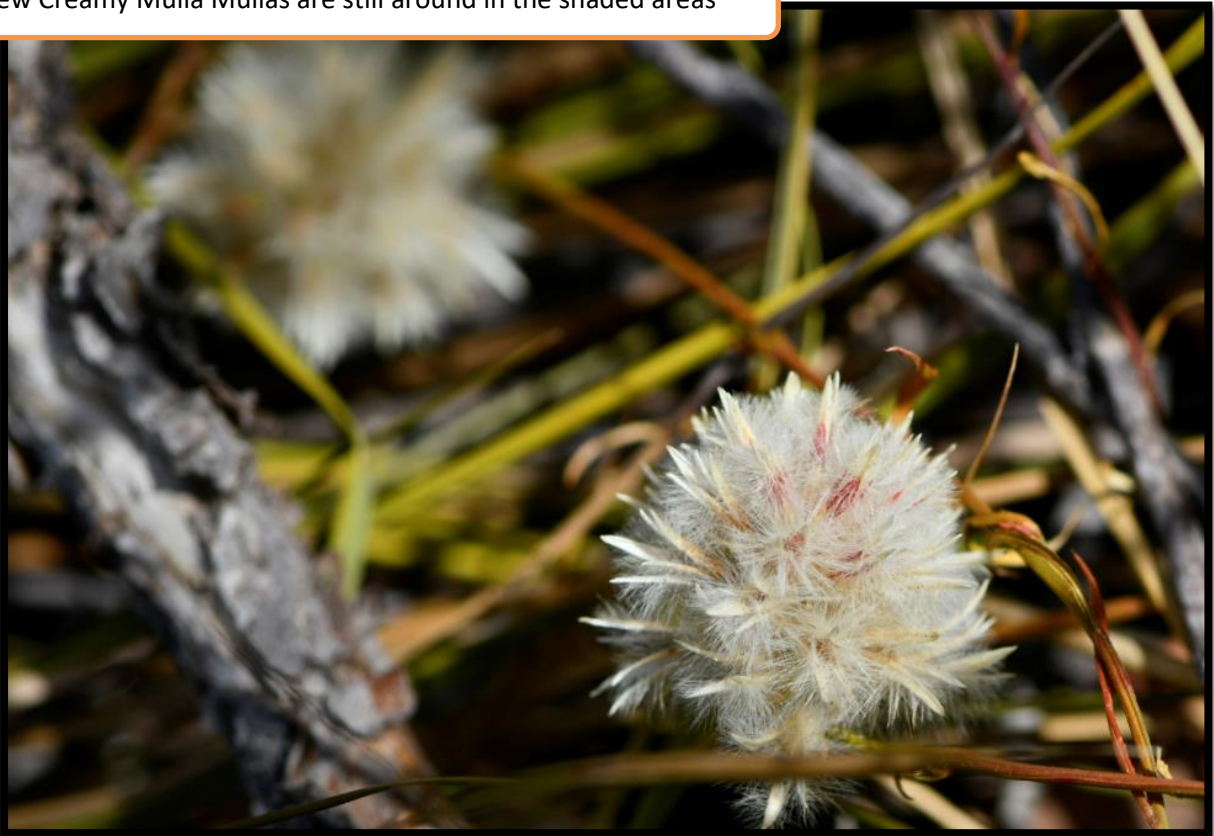

Ants and Bees are loving the Marri flowers!

Beautiful fringe lilies have coped with the summer well!

Few Creamy Mulla Mullas are still around in the shaded areas

Bronzewing aka Rock Pigeon

Look at the size of this termite mound!
